English Language Arts

We are reading stories about how animals play a part in the world around us. We will be exploring animal offspring and what we love about animals.

Our comprehension skills are asking and answering questions about key details.

Math

Students will be learning how to add and subtract up to 100 using regrouping strategies. We will also learn how to solve one and two-step word problems with two-digit numbers.

Writing

We are writing animal research papers. Students will be reading informational books and researching on the computer.

Science/Social Studies

We are learning about forces and changes in motion. Students will be completing various experiments to investigate the effects of forces on different objects.

Students are learning about the dangers of drugs and alcohol.
