School Hours:

7:45 a.m.-2:45 p.m.

English Language Arts

Students will determine a theme of a story, drama, or poem from details in the text, including how characters in a story or drama respond to challenges or how the speaker in a poem reflects upon a topic. Also, summarize the text.

Math

Students are able to add and subtract fractions with unlike denominators, including mixed numbers. Also, students will solve word problems involving addition and subtraction of fractions referring to the same whole, including cases of unlike denominators.

Writing

This year students will focus on writing for the purposes of informative, opinion, narrative, analysis, and research. Students are getting ready for their next state writing assessment.

Science/Social Studies

In science, students will investigate and describe some basic forms of energy, including light, heat, sound, electrical, chemical, and mechanical. In social studies, students will research election processes and be able to retell the origin of Thanksgiving.

Kathleen Elementary Cougars:

Persevere, are Respectful, have Integrity, are Dependable, and Encourage one another!

Students

Our walk-a-thon was a big hit. Thank you to all who participated.

Remember to read for 30 minutes every night and to summarize what you read.

Are you a SMAD champ? If you are practicing your math facts you will be!

NEWS FLASH!!!

5th grade is going to the WE3 EXPO!
