School Hours:

7:45 a.m.-2:45 p.m.

English Language Arts

Students will describe how the narrator's or speaker's point of view influences how events are described. They will also determine a theme from text details, and summarize literary text.

Math

This month students will be performing operations with decimals. They will recognize that in a multi-digit number, a digit in one place represents 10 times as much as it represents in the place to its right and 1/10 of what it represents in the place to its left.

Writing

This year students will focus on writing for the purposes of informative, opinion, narrative, analysis, and research. Students are getting ready for their next state writing assessment.

Science/Social Studies

In social studies students will identify the economic, political and socio-cultural motivation for colonial settlement.

UPCOMING DATES TO REMEMBER

12/6 Pictures with Santa

12/10-12/14 Santa's Workshop

12/24-1/4 Winter Break
