## What We Are Learning

We enjoyed learning the many ways clothes are made. Ask your child to tell some of the methods we learned in class.

We looked for patterns in our clothes and practiced making patterns with buttons. Ask your child to show you some patterns using items around the house.

## Looking Ahead

Next week we will learn how cloth is made and introduce new vocabulary words including: loom, weave, knit, crochet, and cloth.

## Conscious Discipline Corner

Conscious Discipline emphasizes 7 Basic Skills of Discipline. The third skill is Encouragement.

Encouraging children to help others creates a sense of belonging in which the intrinsic desire to be of service outshines attention-seeking behaviors.

Ask your child to tell you how we encourage each other in our classroom.
