School Hours:

7:45 a.m.-2:45 p.m.

English Language Arts

In ELA, we will be using key details to describe characters, settings, and events in a story. We practice finding cause and effect in texts. Please practice sight words and reading 30 minutes every day.

Math

In Math, the learning target is to identify two and three dimensional shapes. Students will be using shapes to create new shapes. We will be partitioning shapes in halves in fourths.

Writing

We will be writing an opinion paper about the students' favorite milk. They will use key detail graphic organizers to help comprehend the text.

Science/Social Studies

In Science we will be learning about living and nonliving things. We will be learning about the plant life cycle.
 In Social Studies, we will discuss getting along with others. We will use team building and class building lessons.
