School Hours:

7:45 a.m.-2:45 p.m.

English Language Arts

We are learning about what makes us special. We will explore how families and friends learn, grow, and help one another. Our comprehension skill is recognizing character, setting, and events. Our vocabulary strategy is using root words and inflectional endings. At home activity: Practice using vocabulary words when talking to your parents.

Math

Students will be learning about place value concepts to 1,000. They will discover how to tell if a number is odd or even. They will also be skip counting by 5s, 10s, and 100s. We will be reading and writing numbers in various ways. At home activity: Use playing cards to practice adding basic addition so you can master SMAD level 1!

Writing

Students will be working on a personal narrative to go in their portfolios. At home activity: Students can create their own bedtime stories.

Science/Social Studies

We are learning about the scientific method, lab safety, and science tools. Next, we will be learning about properties of matter and how they can change. At home activity: Parents and students should talk about kitchen tools and safety.

UPCOMING DATES TO REMEMBER
