

# PreK News You Can Use

\_\_\_\_\_ 's Class

Week of: August 19, 2019

## Reminders

- No School on Monday, September 2<sup>nd</sup>
- Early Dismissal Day on Wednesday, September 11<sup>th</sup>
- No School on Monday, September 16<sup>th</sup>

## What We Are Learning

We continued to learn more about our friends and how we are all important to our school family.

We learned more about our classroom and our daily routine. We explored the learning centers in our room. Ask your child to tell you about their favorite center.

## Looking Ahead

Next week we will continue to learn the routines of our school day. We will learn when things happen at school.

We will read the book Charlie Anderson. We will play a game of "Can You Find It?" to find items in our classroom.

## Help Wanted

If you are able to help in the classroom and are an approved volunteer please let us know your availability. We are always looking for volunteers to assist in the classroom. We appreciate your support!

Not an approved volunteer?

Ask how to and become one today!

## Fun Things to Try at Home

Start a "My School Day" journal with your child. Each night talk with your child about their day. Working together draw a picture of what your child learned that day. Encourage your child to talk about their school day as you are drawing together.
