School Hours:

7:45 a.m.-2:45 p.m.

Ms. Caballero ELA

Mrs. Christensen ELA

Ms. Schroeder Math/Science

Ms. Zapata Math/Science

English Language Arts

Students will be able to determine the meaning of words and phrases as they are used in literature and informational text. They will also quote accurately when explaining what the text says explicitly and when drawing inferences from the text.

Math

Students will use parentheses and brackets to group an expression within a multi-step expression. Now to be referred to as GEMA
 $6 \times 3 - 2 =$

Answer 16

Writing

This year students will focus on writing for the purposes of informative, opinion, narrative, analysis, and research.

Science/Social Studies

In science, students will be able to recognize and explain the importance of repeated trials. Students will be able to recognize and explain that when scientific investigations are carried out, the evidence produced by those investigations should be replicable by others.
