

PreK News You Can Use

Week of: September 7, 2020

Reminders

- Early Dismissal Day on Wednesday, September 23rd

What We Are Learning

We are learning the rules of our classroom. Ask your child about their day and some of the rules we follow to keep our classroom safe. We focused on when things happen during our school day. Our new vocabulary words included: rule, recommendation and question.

We read the book *Charlie Anderson*. Ask your child what happened in the book.

Looking Ahead

Next week we will learn about the many people who work at our school. We will continue to build our School Family and focus on different ways to breathe using Conscious Discipline. Our new vocabulary words will include: jalapeno, bagel, clock and schedule. We will read the book *Jalapeno Bagels*.

Conscious Discipline Corner

Breathing is an important component of Conscious Discipline. We are teaching many ways to be a STAR. Ask your child what it means to be a STAR. Can your child tell you one of the ways we have learned to breathe? You can find more information at: www.consciousdiscipline.com including helpful parenting resources to try at home.

Fun Things to Try At Home

Challenge your child to circle the letters in their name in the newspaper or a magazine. How many times can they find their name?
