School Hours:

7:45 a.m.-2:45 p.m.

English Language Arts

Our learning target for October is to identify character, setting, events and key details to retell a story. Students will use collaborative conversations to ask and answer questions about key details in a text. Some questions you can ask your child: What happened first, next, and last in the story? Who are the characters? What is the setting? Please practice sight words and read 30 minutes every day.

Math

In Math, the learning target is to add and subtract to solve word problems. We are learning how to use counting to solve addition and subtraction problems. We will be solving word problems with three whole numbers. Students will use pictures and manipulatives to add and subtract. Don't forget to practice basic addition and subtraction facts every day.

Writing

Students will write a narrative about their school day using a graphic organizer to help organize their thoughts. They will practice using sentence frames to retell key details in the text.

Science/Social Studies

In Science, we will be learning about forces and motion. In Social Studies, we will discuss the Constitution and its importance to our country. Students are using Kagan structures to work cooperatively in the classroom.

UPCOMING DATES TO REMEMBER

End of First 9-Week Grading Period
 Thursday, October 22, 2020

Teacher Work Day,
 HOLIDAY – STUDENT
 and Paraeducator Friday,
 October 23, 2020

Kathleen Elementary Cougars:

Persevere, are Respectful, have Integrity, are Dependable, and Encourage one another!

Student of the Month

To Be Announced...

NEWS FLASH!!!

Please make sure that your child is reading 30 minutes every day and that you write the book title in the agenda. Students are working daily to earn 15 red tickets to participate in the October PBIS reward.
