### English Language Arts

We are learning about how animals play a part in the world around us. We will be exploring animal survival, animal habitats, and animals in stories. Our comprehension skill is making predictions. Our vocabulary strategy is using prefixes and suffixes.

### Math

Students will be learning how to fluently add and subtract within 20. They will be learning how to count the number of objects in a rectangular array. We will begin working on strategies to solve 2 digit addition and subtraction. Students will be able to mentally add and subtract 10 and 100 from any 2-3 digit number.

### Writing

Students will be finishing their unit 1 personal narrative writing for their portfolios. Unit 2 writing will be animal research papers.

### Science/Social Studies

We are learning about properties of matter and how they can change.
