School Hours:

7:45 a.m.-2:45 p.m.

English Language Arts

This month in ELA, our focus will be learning how to determine the perspective of the narrator in a text and how an author uses reasons and evidence to explain points in a text. In writing, students will continue learning the mechanics of writing a powerful and well-supported essay.

Accelerated reading is a very important part of your student's life here at school. Please continue to encourage them to read 30 minutes every night. 3rd, 4th and 5th grade will be in a competition to see which class/teacher has the highest word count from Dec 1- Jan 15. The prize for the winning class is pizza!!

Math

In Math students will show what they know about division and solving word problems. We will also be learning about multiplying and comparing fractions. Parents, multiplication and division are heavily used throughout 4th grade, so please help your child study their multiplication, division, addition, and subtraction math facts every night. This also helps with SMAD which happens every Thurs. 100 facts in 7 minutes!

Science

During the month of December students will be learning about inherited traits vs. learned/acquired behaviors.

Social Studies

In Social Studies, students are continuing to learn about the history of our great state. They have already learned about the flag, the seal, the gem and so many other interesting facts about Florida.

UPCOMING DATES TO REMEMBER

- Nov 30** Back to school
- Dec 3** Interims go home
- Dec 16** Student of the month lunch
