School Hours:

7:45 a.m.-2:45 p.m.

English Language Arts

In ELA, our learning target is to identify characters, settings, and events in a story. Students should be able to make connections in the text through sequencing events, identifying cause and effect relationships, and comparing and contrasting characters and events within the text.

Math

In Math, the learning target is to compare numbers using greater than, less than, or equal to. Students will also be learning how to find 10 more and 10 less of a 2-digit number. Please practice basic facts with your kids. SMAD testing of basic addition and subtraction facts is every Thursday.

Writing

Students will practice writing narrative papers. Students are completing graphic organizers for stories read in class. They are completing sentence frames to explain information gathered from their organizer.

Science/Social Studies

In Science we will be learning about gravity and magnifiers. In Social Studies, we will learn and write about Martin Luther King Jr.
